There will be prayer meeting on New Years evening. We can spend the first night of the new year in no better way. The old year with its mingled joys, bless-ings, heartaches, mistakes and disappointments has gone, but just ahead is the new year. Tho all untried, we may make of it just what we will. Let us cousecrate ourselves anew to our Christ, and going hand in hand with Him, we shall not be afraid, but ready to meet aught the future may hold for us, whether weal or woe, and still make this the best year of our lives, in service to Him who hath said, "Fear not for I am with you alway, even unto the end of the world."

The L. A. S. was entertained by Mrs. A. Ostrander, at her home on Wednesday afternoon. The ladies wish to thank all who donated and helped to make our bazaar a success.

D. Ryan, Pastor.

When the Grip Leaves You With a Cough

PIDEMICS OF LA GRIPPE often leave many persons with persistent, wearing coughs that hang on for months if neglected. There is one reliable family cough medicine that helps from the very first dose. It relieves the tightness and soreness, covers the inflamed surfaces with a soothing, healing coating, loosens and aids in expelling phlegm and mucus, clears the air passages, eases hourseness and banishes the nervous tickling in the throat. That remedy is

Foley's Honey and Tar

It contains no opium, morphine, chloroform or other injurious drug. It is an old-time home remedy combining the curative effects of pine tar and honey with plants and herbs found in forest and field.

Banished La Grippe Coughs

Lewis Newman, 5065; Northrand St., Charleston, W. Va.; "I am glad to tell you that Foley's Honey and Tar is the best remedy for lung trouble I have ever used. I have been down sick ever since Jacusry and nothing would do me any good. I was full of cold. I had the grip all winter until I got two 50c bottles of Foley's Honey and Tar. I used 15 bottles. I am glad to say I can't feel any more cold in my chest."
